INTRODUCTION

SPG Shipping was established in 2000 by Mr. Rajiv Gupta and has since evolved into a leading name in the shipping and logistics industry. With a strong foundation and clear vision, the company has grown to a team of over 120 professionals, consistently delivering reliable and efficient logistics solutions. With more than 25 years of experience in international shipping and project forwarding, SPG Shipping has built a strong market presence as a trusted expert in broking, chartering, and freight forwarding.

Over the years, the company has successfully adapted to the dynamic nature of the industry while aligning itself with the evolving expectations of its clients.

Our core expertise spans a wide range of shipping services, including brokering, chartering, consultancy, and ocean freight solutions. We are committed to ensuring that every shipment reaches its destination on time, while maintaining the highest standards of care and efficiency at every stage of the logistics process.

Ship Brokering & Chartering

At SPG Shipping Pvt Ltd, tanker brokering and chartering form a core part of our maritime expertise.

We provide specialized solutions across a diverse range of cargo segments, including dirty petroleum products, clean petroleum products, chemicals, gas carriers, and specialized tanker requirements.

Our capabilities extend across the full spectrum of tanker sizes—from small parcel tankers to large-scale vessels such as VLCCs—enabling us to cater to both regional and global chartering needs with efficiency and precision.

Backed by a strong global network and deep market understanding, we work closely with our clients to deliver customized chartering solutions that align with their operational and commercial objectives. Our focus remains on reliability, responsiveness, and delivering value through every stage of the chartering process.

Dirty Petroleum Products

SPG Shipping Pvt Ltd offers specialized tanker broking services in the dirty petroleum products segment, delivering reliable and market-driven solutions to a diverse global clientele. Our expertise covers the management and execution of Contracts of Affreightment (COA), Time Charters, and Spot Fixtures across a wide range of vessel classes.

We operate across multiple tanker categories, from Medium Range (MR) vessels to Very Large Crude Carriers (VLCCs), ensuring flexibility and efficiency in meeting varying cargo and routing requirements.

With strong relationships across the industry, we work with a broad spectrum of stakeholders, including international traders, leading charterers, and private oil companies, enabling us to provide competitive and well-structured chartering solutions.

Clean Petroleum Products

SPG Shipping Pvt Ltd provides specialized brokering services in the clean petroleum products segment, supporting efficient and reliable transportation solutions for both charterers and vessel owners worldwide. Our coverage spans a wide range of tanker sizes, from smaller parcel tankers of around 5,000 DWT to larger Long Range (LR2) vessels.

With a focused approach to the clean products market, we leverage our industry network and market insight to deliver well-structured chartering solutions aligned with client requirements. Our strength lies in offering flexibility across vessel sizes while maintaining a strong and active presence in key global trading regions.

Through a combination of market expertise and operational reliability, we ensure seamless execution across clean product movements in an increasingly dynamic shipping environment.

Customs Clearance

In the global marketplace, rapidly changing demands on production and delivery schedules have placed increased responsibility on Customs House Brokers to provide expert Customs Services.

This hard earned and privileged status gives us a distinct advantage when it comes to negotiating difficult consignments and dealing with the inefficiencies of bureaucratic procedures.

SPG customs brokers are comprehensively trained in the languages and unique customs procedures of each specific area of operation. One member of our customs team will take full and complete responsibility to ensure that the correct documentation is prepared well in advance of all import and export deadlines in order to avoid expensive and time consuming delays.

SPG Customs Services Provides:

- ❖ Legal Valuation of merchandise
- ❖ Duty & tax assessment
- ❖ Classification of goods
- ❖ Maintenance of record
- ❖ Temporary import procedures
- ❖ Import/Export formalities
- ❖ Permanent import/export procedures
- ❖ Consultancy services
- ❖ Customs declaration
- ❖ Import/export license
- ❖ Transit formalities
- ❖ Customs registration
